ABAG PLAN Presents

MANAGING CONTRACTOR LIABILITY

& Insurance Requirements in Contracts

Did you know that your Agency can be fined for the unsafe acts committed or the unsafe conditions created by your contractor's as a result of the CalOSHA Multi-Employer Worksite Safety Standard?

Did you know that the California Courts have ruled that CalOSHA citations are admissible in third-party lawsuits?

Did you know the California Courts have ruled that CalOSHA has the authority to allow consideration of the "controlling" employer's *due diligence* in determining liability?

Did you also know that California Assembly Bill 574, passed in 1999, gave public entities the power & therefore the obligation to pre-qualify contractors wishing to bid on public works projects?

This program will equip your Agency with best practice tools to pre-qualify your contractors and better manage your obligations under the CalOSHA Multi-Employer Worksite Standard.

TOPICS INCLUDE:

- When is Indemnification Language Not Enough?
- Assembly Bill 574 – How and *WHEN* to Pre-Qualify Bidders
- Using the **Contractor Safety Program**
- CalOSHA – What's Expected of Contract Owners?
- Insurance Requirements in Contracts
- CalOSHA Multi-Employer Worksite Safety Standard
- Building Your Defense Now – Due Diligence Tools
- Contractor Safety Orientations

YOU WILL TAKE HOME:

- Contractor Safety Program
- Sample Contractor Safety Orientation
- Multi-Employer Liability Resource Binder
- Sample AB574 Pre-Qualification Program
