VENDORS / CONTRACTORS LIABILITY PROGRAM

INTRODUCTION

This manual affords an overview of the Vendors/Contractors Insurance Program for May 1, 2008 to May 1, 2009.

This Vendor/Contractor was developed to meet the needs of the Public Entity Sector in assuring that there is insurance in place when entering into a contract with a contractor or vendor. Coverage can be provided for General Liability, General Liability and Professional Liability combined. This will enable Public Entities to contract with qualified bidders who could not previously participate because their level of insurance could not meet the Entity's minimum insurance requirements.

Should you have any questions or require assistance, please contact the Marketing Department at (800) 821-9283 in the Driver Specialty Group Marketing Department at Alliant Insurance Services or via email at vcprogram@alliantinsurance.com
