

STEVE SOMSEN
RISK MANAGEMENT CONSULTANT

Steve Somsen, Risk Management Consultant, presents 30 years of related professional insurance, public entity and risk management experience. He is a graduate of Long Beach State with a degree in Public Administration. He also holds the risk management professional designation of ARM.

Steve has held responsible public entity risk management positions in cities, counties, colleges and school insurance pools. Over the course of his career, he has variously been a: claims adjuster; insurance agent; safety officer; program manager of property, liability, workers' compensation and safety; Risk Manager; Director of Risk Management and Chief Operating Officer of a public entity insurance pool. Steve brings significant experience in self-insurance and risk management finance. His publications include manuals on Property and Liability Claims, as well as Workers' Compensation. His white paper, Report on Workers' Compensation Fraud, was one of the factors that helped bring about the Workers' Compensation Reform Act of 1989.

In addition to his experiences with various insurance and public employer organizations, Steve is a retired Lt. Colonel, Military Police, US Army Reserve. During his tenure with the military, Steve graduated from the US Army Logistics College, Military Police School and the US Army Command and General Staff College. In the military he has been a Provost Marshal (police chief), Inspector General, Logistics Officer, and School Site Commandant serving Northern California and the State of Nevada.
