

Offered through the Association of Bay Area Governments Pooled Liability Assurance Network

ABAG PLAN Invites You and Your Staff to:

Workshop Announcement

WORKPLACE VIOLENCE PREVENTION RESPONDING TO HOSTILE ENCOUNTERS

Course Overview:

- Historical overview and statistics
- Review the different types of threats
- Identification of potentially dangerous situations
- Responses/tactics
- Simple security measures
- Review of agency/organization policy

Learning objectives: This interactive workshop will help employees and supervisors recognize and identify ways to respond to violent or potentially violent encounters in the office or field environment. This presentation will include information and tactics for employees who work at public service counters.

Attendance prerequisites: None

Length of Presentation: 2 hours.

About the Instructor:

David Gullo retired from law enforcement after 29 years with the City of Campbell, California Police Department. He served as Police Chief from 1996 to 2009.

Since his retirement in 2009, Retired Chief Gullo joined the private sector and is currently managing physical security for one of the top consumer electronics companies in the world.

He has a Bachelor's Degree from San Jose State University and is a graduate of the F.B.I. National Academy. He has taught Workplace Violence Prevention for over 10 years to civilian and sworn staff at all levels of government and private companies throughout California.
